WHO WE ARE

About the Greater Canonsburg Chamber of Commerce

We are business owners, managers and enthusiasts advancing the interests of our members and advocating interaction among commercial, financial, industrial and civic groups...

Encouraging the development of a healthy business environment -

The Greater Canonsburg Chamber of Commerce (GCC) is made up of nearly 100 businesses and individuals who together help us continue our work in the communities we serve: Canonsburg, Cecil Township, Chartiers Township, Houston, Mt. Pleasant Township & North Strabane Township. These are wonderful places to live, shop, work and play; each offering unique opportunities in which to get involved, or spend a day out on the town.

Our purpose is to encourage the development of a healthy business environment by advancing the interest of our members and advocating interaction among commercial, financial, industrial and civic groups to promote growth and economic stability.

OUR GOAL

Our goal is to make the greater Canonsburg area a wonderful place to live, shop, work, and play. If you are a like-minded individual or organization, please consider join us in this endeavor.

GCC hosts many events and activities throughout the year including Old-Fashioned Christmas, Pennsylvania Bavarian Oktoberfest, and new this year (for Easter 2019) is a 5K Bunny Run and Family Fun Walk.

Our Oktoberfest has been ranked in the Nation’s Top 10 Oktoberfest celebrations. Keeping with the traditional Oktoberfest festival, there are all of your favorite German foods and entertainment while adding that extra fun twist that only Canonsburg can provide.

The Chamber also sponsors Canonsburg Hometown Hero Banners to recognize and support those who have served in the military. We thank each of these members for his/her service to our country! [complete details are found on page 13].

BOARD MEETINGS

The Board of Directors for the Greater Canonsburg Chamber of Commerce is made up of representatives from local business and industry. They meet on the 2nd Thursday of each month: location and time is announced at least one month in advance. See our website for full details.

Canonsburg is a borough in Washington County, Pennsylvania, 18 miles southwest of Pittsburgh. Canonsburg was laid out by Colonel John Canon in 1789 and incorporated in 1802. The town is in a rich coal district, and most of the town’s work force once worked in local steel mills or coal mines.
WORKING WITH MUNICIPALITIES

The Greater Canonsburg Chamber of Commerce is a facilitator of The Pennsylvania Bavarian Oktoberfest...

Believe that our members offer some of the most quality service that can be provided. The best part is that they are primarily local, small-owned companies; businesses that are owned, operated, and managed by people that live within the communities we serve. Therefore, they have a vested interest. Our job is to help nurture these businesses so that they remain and can become a recognized and trusted establishment.

Our second priority is to work with the individual municipalities where our members are located. What is the importance of working with the municipalities? Why would your elected representative within that municipality need our help? The answer is quite simple and it all goes back to us wanting to establish trusted and long term businesses in our area.

We share our resources! We know that municipalities hold a large task at hand, responsibly allocate and spend your hard-earned tax dollars. Sometimes, it is not fiscally responsible for local officials to spend money on something that does not benefit the community as a whole. That’s where we come in! In the past, the Greater Canonsburg Chamber of Commerce has partnered with North Strabane Township and Canonsburg Borough to aid in the purchase of stage pieces for all of the events held within the communities. We took an expense that would have cost each municipality over $5,000 and split it three ways, costing around $1,750 per party instead. We have purchased electrical equipment for our events that we share with the municipalities so that they are not responsible for the purchase, maintenance and storage of their own equipment.

CONT. NEXT PAGE...
The other half of our relationship with municipalities may be the most important. Our office frequently receives calls from prospective businesses looking to move into our area. That is when we go to work. We go back to our network and our leaders within the municipalities to help find the right placement for that business. Maybe one of the elected officials or administrative staff know of a location that is available that we do not know about. We can in turn, connect the new business owner either with a local real estate agent within our membership, or the building owner, or the local official that will then assist in securing that location for the new business, etc. Once that business is established and operational, we then invite all parties involved, as well as additional leaders in the community; and we hold a ribbon cutting, officially welcoming this new business into our “family” and our chamber network.

We look forward to building relationships with the municipalities within our membership base -- especially as we move into the future!! There is nothing more important to us, as a chamber of commerce, than to watch these areas continue to grow and thrive commercially.

I personally look forward to getting out to meet the representatives from each municipality and working with them to create a plan, and to make this area better tomorrow than what it is today!

Thank You,

A. J. Williams
The Pennsylvania Bavarian Oktoberfest is a replica of the legendary German festivals. Held in downtown Canonsburg; two stages; vendors, music, food, beer, amusement rides & more. Please consider becoming a sponsor.

The Chamber will hold its 1st Annual 5K Easter Bunny Run & Family Fun Walk with an 8:30 a.m. start. The event will include shirts, medals for 1st, 2nd 3rd place winners. Chinese auction, food & more. Watch for details.

Canonsburg Chamber’s Old-Fashion Christmas will be held annually in December. Watch the website for complete details.
